Follow the dirty money...and you'll find George Soros. Amazing how he's connected to everything. These corrupt globalists and elites are being exposed. The real Whistleblowe President Trump.

Washington is full of corrupt Politicians that need to be arrested. I think the Democrats that they opened this door. Ain't no hiding things now. Expose it all!

Via The Gateway Pundit:

Democrat Rep. Adam Schiff is connected to a Ukrainian arms dealer. Is this why he's wil lie in front of the nation when accusing President Trump of crimes?

Adam Schiff is arguably the biggest liar in Congress.... ever. He now leads the House Intelligence Committee and this past week oversaw the Intel Committee where he attem to align President Trump with some 'trumped' up allegations concerning his phone call the President of the Ukraine. Schiff lied in his opening remarks and claimed numerous falsehoods about the President's call in spite of the transcript being provided the day be

His entire description of the President's call was a lie – we have the transcript and this v in it!

This is also the same time that Schiff tweeted that information on the Ukraine –

@paulsperry_

Wait a minute. Check this out: Schiff tweeted this exact same Trump-Ukraine "collusion" narrative a month ago. Hmm ... Exactly how long have Schiffty-Schiff and Dems been working with this "whistleblower"? Smelling more and more like prefabrication twitter.com/RepAdamSchiff/…

Adam Schiff @RepAdamSchiff
Trump is withholding vital military aid to Ukraine, while his personal lawyer seeks help from the Ukraine government to investigate his political opponent.

It doesn't take a stable genius to see the magnitude of this conflict.

Or how destructive it is to our national security.
